### Pick your plan

Decide which of our 3 plans would work the best for you. You supply us with your logo, content, photos, and videos and we'll build your website to match the colors of your branding.

### No domain? No worries!

If you don't have a domain name for your business, Go to our domain website, [WEBNAMESFORLESS.COM](http://WEBNAMESFORLESS.COM) and purchase a domain starting at \$15.00/year (USD)

### You can even edit your site yourself

With our SMALL, MEDIUM and COMPLETE plans we'll provide you with access to your CMS website dashboard so that you can add and edit pages along with being able to add images etc.

### Hosting Included

Our monthly plans include hosting for your site at no extra cost. Plus, we'll have your site backed-up twice a month so that you can rest assured you won't lose any data should an emergency happen.
